

王 玥 Wang Yue

Tel: (+86) 137-2622-8956 E-mail: wangy256@mail2.sysu.edu.cn

Address: SUN YAT-SEN UNIVERSITY, Guangzhou, Guangdong Province, China

Education:

2013. 8–Now School of Mobile Information Engineering (SMIE), SUN YAT-SEN University
(12.2015 merged into School of Data and computer science)
GPA 4.194/5.0 (3.940 /4.0)

Projects:

12.2015-01.2016 Microdoctor -- The student's health management system
It has the functions of online reimbursement, transferring treatment, making appointments.
Make it convenient for students to handle related procedures.
- Came up the idea of the project.
- Analyzed and designed Web's general function and Database's structure.
- Designed and unified Web's general interfaces.
- Realized the login, main and some other interfaces.

11.2015-12.2015 On the way – Vehicle detection and traffic safety management Android APP
- Designed and realized the general interfaces of APP.
- Realized the Driving track record, mileage and speed monitoring and some other functions.

07.2015 Automatic modulation mode detection(Matlab)

12.2014-07.2015 Pipeline CPU design(in Verilog) and FPGA simulation

08.2014-10.2014 Intelligent vehicle
- Designing and producing the circuit board, realizing the function of infrared tracking, ultrasonic obstacle avoidance and finding way in maze.

Experience:

09.2014-Now Teacher Assistant of Software Design, Data Structure, Algorithm Design
- Teach junior students programming, solve their problems and check their homework.

07.2015-Now Deputy Director of SMIE News Center
- Reorganized News Center, established and perfected rules and regulations.
- Plan and organize the publishing of first edition of student journal (in process).

08.2014-07.2015 Director of Graphic Design Department of SMIE News Center
- Took part in the establishment of News Center and managed the Graphic Design Department.
- Designed the Logo, uniform, document and other related materials.

Awards:

2013-2014&2014-2015 National Scholarship of Sun Yat-Sen University

2013-2014&2014-2015 The First Price Scholarship of School of Mobile Information Engineering

10.2014 The First Price of "FLTRP CUP" English Writing Contest

Other:

Paint for more than 10 years. Have learnt sketch, watercolor, color powder and various forms of painting.
Interested in design and familiar with PS.
